Marbella, Spain

(+34) 618632461 | [victorknignitskiy@gmail.com](mailto:victorknignitskiy@gmail.com)

My CV: [www.victorknignitskiy.com](http://www.victorknignitskiy.com)

## SUMMARY

---

I'm a passionate student interested in studying International Relations and Politics. I have developed my world view through projects related to sustainability and energy conservation. My platform Power Pedal Perspectives educates people about the advantage of electric vehicles through engaging content. As an International Practical Shooting Confederation competitor, I gained invaluable international perspectives traveling around the world.

## EDUCATION

---

**Sotogrande International School**

**San Roque, Spain**

**Type of Baccalaureate:** International Baccalaureate

**Expected Graduation:** May, 2024

- Average Score: 33/45

**Swans International School**

**Marbella, Spain**

**September, 2016 - June, 2019**

## CO-CURRICULAR AND EXTRACURRICULAR ACTIVITIES

---

- **Founder of Power Pedal Perspectives -**  
[www.powerpedalperspectives.com](http://www.powerpedalperspectives.com)

Designed a platform to educate people about the advantage of electric vehicles. Created content on various E.V. cars available, and their prices. ( Marbella, Spain, 2021-2024).

- **IPSC - International Practical Shooting Confederation Shooter/Competitor** - Competed in various tournaments such as the European championship and Copa Maya in Guatemala. Placed 4th in both of them in the Junior category. (Around the world, 2023-2024).
- **Developer of a Smartroom for School** - Developed a prototype for Smartroom using IOT technology. Implemented the solution to ten houses that resulted in energy saving. (Marbella, Spain, 2020-2021).
- **Research student - Bitcoin price prediction** - Researched different machine learning algorithms and developed a novel algorithm for Bitcoin price prediction. (Marbella, Spain, 2022).
- **Researcher/Interviewer** - Researched the cultivation of mussels and other seafood in Galicia, Spain. My report was used by the Russian federal research institute of fisheries and oceanography to increase production of mussels by 16%. (Galicia, Spain & Far East Russia, 2021).
- **Founder/Developer of a casino website** - Designed a casino website, hosted casino nights with friends and colleagues. (San Roque, Spain, 2021).
- **Entertainer for Party Team** - I worked as an entertainer for kids at different events. I was paid by hour and rewarded bonuses at the end of the month. (Costa del Sol, Spain, 2020-2021).

## VOLUNTEER WORK

---

### STRUCTURE FOR EACH EXPERIENCE

- Name of the Organization/Project + Description + (Location, Dates)
